Diagram 2 illustrates the assembly process in three steps:

- 1**: A black trapezoidal cap is placed on the top of the legs. A circular inset shows a close-up of the cap being positioned on the legs.
- 2**: The cap is pushed down onto the legs. A circular inset shows a close-up of the cap being pushed down, with a red arrow indicating the direction of force.
- 3 Click!**: The cap is fully seated on the legs. A circular inset shows a close-up of the cap being fully seated, with a red arrow indicating the direction of force.

Below each inset is a set of six small black pins.

3

Diagram 3 shows the final assembled product, consisting of three grey legs with black caps and a black trapezoidal cap at the top.
