Storage unit programme

Achievement depends on how ambitious you are.

Not to mention quality and variety.

A modern office interior featuring a white desk, two black stools, and a white storage unit with glass doors. The background is a light-colored wall with horizontal lines. The floor is dark and reflective. The text is positioned in the upper left area of the image.

Harmonising perfectly with the ambition
desking programme, the practical
functionality of our storage units offers
you precisely what you need for
decision-making: the ideal scope.

At the top level.

With the utmost freedom.

ambition storage units feature a broad range of design options that make the programme the ideal choice when it comes to dividing up space efficiently. But that's not all: the back panel, which also comes with a fabric finish, is designed to offer you a bit more comfort in your office.

Configuring space.

The carcass construction of the ambition storage unit programme allows you to build anything from a single cupboard to a complete storage wall. Completely in tune with your specific needs, the models you desire and fully geared to your space situation.

With outstanding details.

Credenza units, 2 OH and 720 mm high with 25 mm top and integrated back panel

Metal knob with changeable cylinder system; reversible key and folding reversible key

Self-closing wide angle hinge, opening to 210°; unrestricted use of built-in elements when open at 90°

Sturdy mortice lock with three-point espagnolette bolt to ensure doors stay shut

Steel plinth, 70 mm high, with integrated adjustable feet (50 mm)

Shelf supports offer maximum stability

Open hanging-file frame with drawer front on precision ball-bearing rails, with anti-tilt system and self-closing mechanism

The alternative to the open hanging-file frame: drawer with filing frame to prevent files dropping out

Steel drawer with A5 or A6 card-index system

Pull-out shelf with anti-tilt system and self-closing mechanism

(OH = binder height)

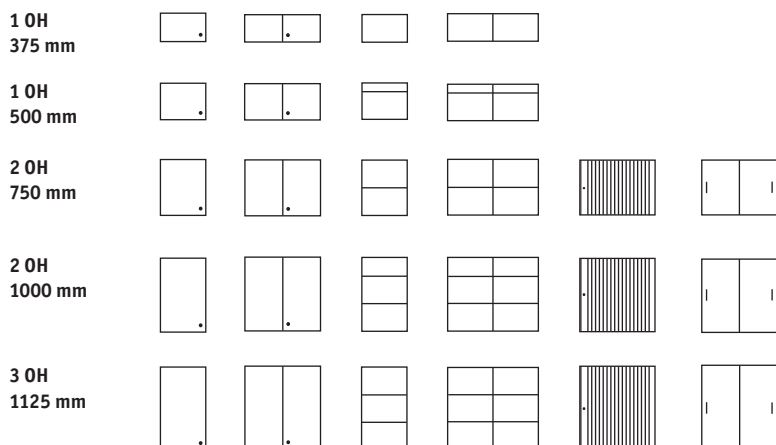

Highly versatile steel drawer with horizontal and vertical dividers and top tray

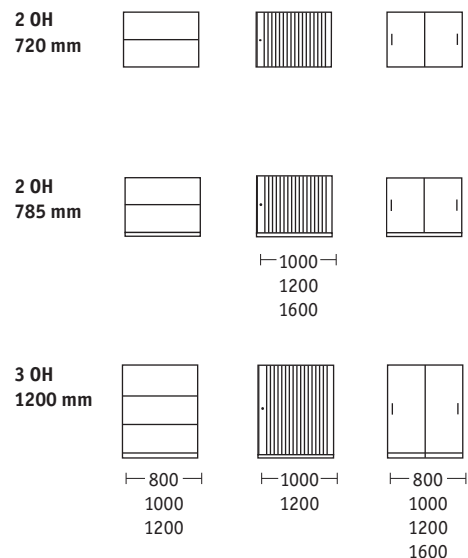

Pigeon holes and boxes with pull-out trays

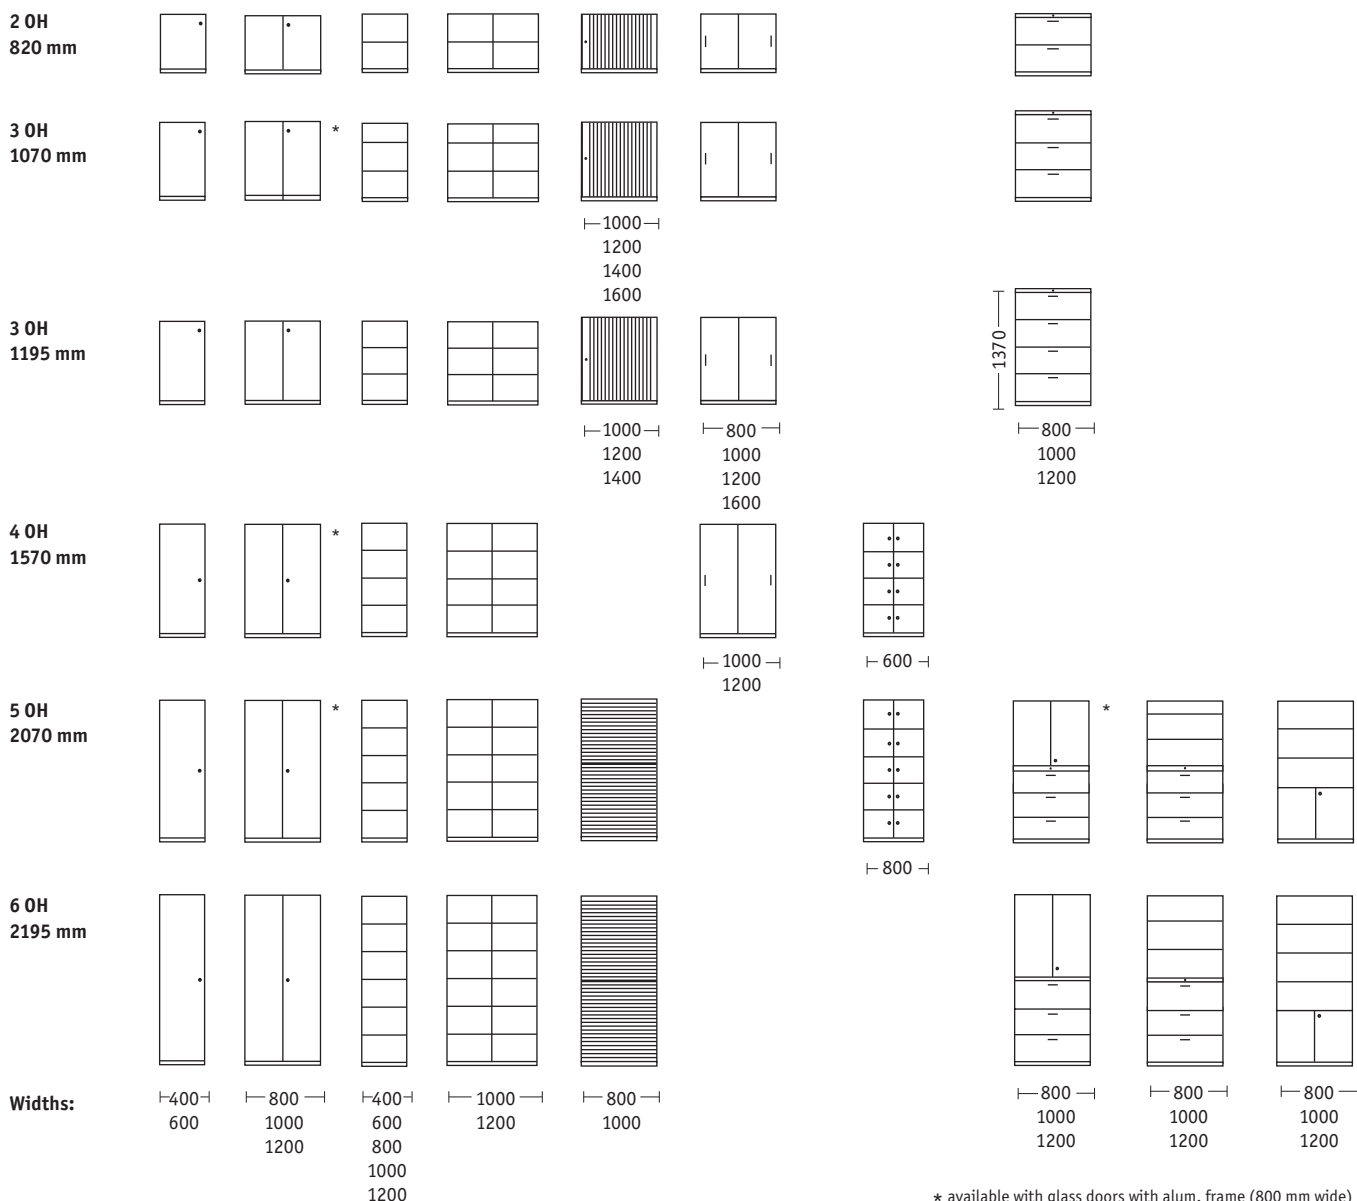

Without plinth: Wing door units, shelf units, tambour door units, sliding door units

Credenzas (shelf, tambour door, sliding door) with integrated back panel and 25 mm top

With plinth: Wing door units, shelf units, tambour door units, sliding door units, locker units, filing units, combination units

* available with glass doors with alum. frame (800 mm wide)
(OH = binder height)

In shape and colour.
