

Discover NEW HORIZONS!

Sedus invites to the **Global Online-Event NEW HORIZONS on June 23, 6.30 – 7.30 pm CET**

What is the future for the world of work?... and how can we improve the working environments of tomorrow? In a rapidly changing world of work, many experts and companies are concerned with these issues. Together, we are searching for answers. What would happen if...?

This year, Sedus is celebrating 150 years of company history. 150 years full of inventions, innovation and challenges. Today we are facing increasing complexity, yet at the same time, we benefit from smart technologies. Let us cast a glance into the future, explore new possibilities, and conquer new horizons with an attitude of openness and confidence. **We invite you to an exciting journey!**

What you can expect:

A live broadcast with inspiring talks and reports. Innovative concept and product solutions as well as new colour and furnishing trends for the hybrid working of today and tomorrow. To delve deeper into the topics and learn more about the specific application and product solutions, additional webinars will be offered from June 16 to June 30, 2021: Agile Working, Home-Office, Hybrid Workplace Models and the Phygital Office.

The live event-program:

Keynote with Dr. Arndt Pechstein: **Hybrid thinking & Future skills** – Ready for the 21st century?
Interview with Christian Marc Schmidt: **Big Data – Artificial Intelligence and Data-Visualisation**
Presentation: **The design of the hybrid workplace – New furnishing and colour trends**
Outlook: **150 years of Sedus: Status Quo – Quo Vadis?**

Be part of the live event and register at www.sedus.com!
