

flip flap

sedus

The new freedom of movement. Sedus flip flap.

Freedom of movement. With its graceful frame on castors, the visibly agile Sedus flip flap encourages dynamic learning. It is available with and without armrests, the backrest is made of plastic, the seat is upholstered and can be folded up.

Attractive. Plastic backrests in black or white. White aluminium, black powder-coated or chromed steel frame.

Comfortable. A wide range of fabric and leather upholstery options in many different colours is available for the seats.

Out of the way. Even chairs with armrests can be nested to save space and can be easily moved out of the way.
